Why Luxembourg?

Luxembourg – second biggest hub for investment funds

> 2300
RAIFs

> 8500
ScSps

Luxembourg is a well-established and **reputable European hub for Alternative Investments players**. The country benefits from a **stable political, economic and fiscal environment and a predictable regulator** which is reassuring and vital for the international business community. **Therefore, top global asset managers, investing in all asset classes** (Private Equity, Real Estate, Private Debt, Infrastructure, Funds of Funds...) **already have funds domiciled in Luxembourg.**

These players are attracted by the **local ecosystem and the unique toolbox of regulated and unregulated vehicles**. **They are establishing themselves and their structure more and more in the Grand Duchy**. The country provides a multijurisdictional expertise, a multilingual and **multicultural workforce that are essential to operate accross Europe and beyond.**

In addition to providing dedicated services offerings to local Alternative Investments, BDO Luxembourg can provide / offer global solutions and a greater reach through its global network.

BDO in Luxembourg – Advisers of the future

An agile partner in a complex and fast-changing environment

- ▶ We deliver **comprehensive value enhancement** at every stage of the investment lifecycle.
- ▶ We provide a **single point of contact** and an integrating set of advisory services encompassing:

integrated fund set up,

tax structuring,

regulatory consulting,

transactions services,

valuation expertise...

- ▶ Our **seamless approach** and focus on **high-quality service delivery** offer our clients the **peace of mind** they are looking for.
- ▶ From pre-deal strategy and transaction support to post-deal value creation and exit support, **we help fund managers achieve the greatest potential from their portfolio investments.**

How we can help you

Unique cross-border industry knowledge and technical expertise empowered by the international dimension of our network

Tax services

- ▶ Assistance with tax planning for funds, including advice on selecting the best legal (or most appropriate) structure for the fund, its investment structure, and its carried interest vehicle
- ▶ Help structure efficient investments from start to finish and throughout your investment life
- ▶ Preparation of due diligence reports in order to confirm the tax attributes of a target
- ▶ Review/assessment of tax risks (e.g. ATAD I, ATAD II and ATAD III, Pillar 2 assessment, DAC 6 analysis,...)
- ▶ Assistance with setting up transfer pricing strategies for Funds, including advice with structuring the intercompany transactions and drafting the terms and conditions of agreements, in line with the arm's length principle
- ▶ Preparation of documentation files for the intercompany financing transactions and those related to the Fund management activity
- ▶ Preparation of transfer pricing risk assessments and support during audits or disputes

How we can help you

The right knowledge and experience to deliver high quality services and ensure your peace of mind

Fund administration services

- ▶ Fund Set-up and Fund structuring including operational advice to put in place the investment structure that meets your needs
- ▶ Central Administration Services
- ▶ Net Asset Value Calculation
- ▶ Transfer Agent
- ▶ Registrar

Our multilingual dedicated accounting and transfer agent teams has a wealth of expertise in:

- ▶ all typical investment structures (regulated and non-regulated),
- ▶ and all assets classes

How we can help you

Conduct projects both on a global scale and in bespoke areas while keeping a holistic vision in mind.

- ▶ Managing all aspects of the cross-border registration process of UCITS and AIFs across the targeted jurisdictions (EU and non-EU countries) by building a strong relationship with the client and ensuring the overall monitoring service as well as the maintenance procedure of the Funds
- ▶ Assist you in creating a ManCo /AIFM or obtaining a license extension by drafting a regulatory application file, designing your target operational model and upscaling your internal processes
- ▶ Perform gap analysis considering regulatory requirements, offering CSSF onsite visit simulations and implementing the latest CSSF circulars for UCITS and AIFs
- ▶ Provide support in performing RFPs, reviewing existing frameworks or offering secondments from our team to support you in your day-to-day activities related to the oversight of delegates, the distribution process, the internal audit, the portfolio management, the compliance and risk management

**Distribution and
AM regulatory consulting**

- ▶ all typical investment structures (regulated and non-regulated),
- ▶ assets classes

Audit services

'BDO', 'we', 'us', and 'our' refer to one or more of BDO International Limited, its network of independent member firms ('the BDO network'), and their related entities.

The BDO network is an international network of independent public accounting, tax and advisory firms which are members of BDO International Limited and perform professional services under the name and style of BDO (hereafter: 'BDO Member Firms'). BDO International Limited is a UK company limited by guarantee. It is the governing entity of the BDO network.

Service provision within the BDO network is coordinated by Brussels Worldwide Services BV, a limited liability company incorporated in Belgium. Each of BDO International Limited, Brussels Worldwide Services BV and the BDO Member Firms is a separate legal entity and has no liability for another entity's acts or omissions. Nothing in the arrangements or rules of the BDO network shall constitute or imply an agency relationship or a partnership between BDO International Limited, Brussels Worldwide Services BV and/or the BDO Member Firms. Neither BDO International Limited nor any other central entities of the BDO network provide services to clients.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.
